1.PERSONAL INFORMATION

Name: hamid reza nassehi nia

Academic Degree: MSc

Date of Birth: 30/6/1348

Address: damghan, Semnan University of Medical Sciences, Semnan, Iran.

Tel:02325250914-----5250922--۰۹۱۲۳۳۱۷۷۶۲

Fax: 02325239778

E-mail: nassehi17@yahoo.co.in, hmnassehi@sem-ums.ac.ir,
hamidrezanassehi@gmail.com

2. EDUCATIONAL RECORDS

<i>degree</i>	<i>Institution</i>	<i>Field of study</i>	<i>Date</i>
B.Sc:	Esfahan university OF M S	Environment health	1375
M.Sc:	Iran university of M S	Environment health	1380
Ph.D:	Tehran university of medical sciences	Environment health	1387

Professional Experiences:

3.ACADEMIC EXPERIENCES

Instructor

4.MEMBERSHIP IN SCIENTIFIC SOCIETIES

Manuscript Reviewer of ...

Member of Review committee of ...

Member of post graduate committee , Faculty of ...

Member of Iranian environment health association

5.REFEREE FOR JOURNAL ARTICLES SUBMITTED TO

Journal of **Iranian Association of Environmental Health, Iranian journal of environmental health and engineering, komesh**

6. RESEARCH INTERESTS air ,water,waste water,food

7. IRANIAN JOURNAL RESEARCH PAPERS

(Authors, Topic, Journal Name, Volume, Year, Pages)

Nassehnia, mehdinia, norisephr, ghorbany

Survey on nitrite Concentration in distributed usage in semnan province in 1383, payesh journal, summer, 1387, third number, 197-202

Mehdinia, nassehnia, gharib blok, Survey on iodide concentration in distributed salt in semnan province in 1384, four number, 285-290

Nassehnia, nasseri, survey of fluoride in water and DMF damghan city in 1380, water & wastewater journal, forty nine, 70-73

7.1- INTERNATIONAL JOURNAL RESEARCH PAPERS

(Authors, Topic, Journal Name, Volume, Year, Pages)

Nassehnia, gholami, jonidi. Evaluation of nano photocatalytic process application by ZnO nanoparticle and UV on benzene removal from synthetic air, Asian journal of chemistry, volume 25, 2013

Nassehnia, gholami, jonidi, Comparison of Benzene & Toluene removal from synthetic polluted air with use of Nano photocatalytic TiO₂/ ZNO process, Journal of Environmental Health Science & Engineering 2014, 12:45

7-2. JOURNAL REVIEW PAPERS

(Authors, Topic, Journal Name, Volume, Year, Pages)

8-LIST OF PAPERS PRESENTED

8.1- LIST OF PAPERS PRESENTED IN IRANIAN CONGRESSES

(Authors, Topic, Name of Congress, City, Year, Proceeding, Pages):

Nassehnia, assessment of shahid shahchraghy dam for damghan, national congress of environment health, yazd, 1380,

Nassehi nia, mehdinia, norisephr, ghorbany

Survey on nitrite Concentration in distributed susage in semnan province in 1383,
national congress of environment health, hamadan, 1386,

Nassehinia, bayat, survey of mold contaminant of distributed dry & wet confectionery in
damghan city in 1384, national congress of environment health, Tehran, 1385

Nassehinia, Ghainy, bahrami. Determination of Tehran air health quality with use of AQI
index in 1388. fourteen congress of environmental health, Yazd, 1390

Nassehinia, Taghi zade, Ravankhah, Determination of corrosion potential in Damghan
water supply with use of corrosion index, search in safety advance congress, 1390

8.2- LIST OF PAPERS PRESENTED IN INTERNATIONAL CONGRESSES

(Authors, Topic, Name of Congress, City, Year, Proceeding, Pages):

9- RESEARCH PROPOSALS

Nassehinia, Survey on nitrite Concentration in distributed susage in
semnan province in 1383, 1383

Nassehinia, Application of nano in wastewater disinfection, 1387

9.1- RESEARCH STUDENTS SUPERVISED (MSc. Level)

Author's Name, Title, year

9.2- RESEARCH STUDENTS SUPERVISED: Ph.D

9.3- RESEARCH STUDENTS CO-SUPERVISED (Ph.D / MSc.)

(Student's and Author's Name, Title, year)

10- BOOKS PUBLISHED

**Nassehinia,khaleghizade,Microbiological Examinations
ofwater&wastewater(translate),dibagran,1386**

Yaghmaian,khani,nassehinia,Disposal of solid waste,dibagran,1386

Nassehinia,Environment health,dibagaran,1387

Authors, Book Name , Publisher, year

11-COURSES TAUGHT

Undergraduate (BSc)

Postgraduate (MSc)

Postgraduate (Ph.D)

12-OTHER ACTIVITIES (Workshops)

workshop Name, Lecturer / participant , Site , year
